LUNCH & LEARN WEBINAR

Community Strategies to Prevent Falls in Older Adults

Wednesday, September 30, 2026 | 12:00 PM– 1 PM

Join state and local experts for a practical, one-hour session on how Connecticut is turning fall prevention into coordinated action.

Did You Know? One in four older adults falls each year. It's the leading cause of injury-related death among adults 65 and older.

Learn how to:

- Identify risk factors
- Use standardized screening tools
- Connect people to proven programs
- Build community and clinical partnerships
